

Dear Parents,

I have put this reading packet together to help encourage summer reading. Please help your child this summer by having them to read every day for 10- 20 minutes. Students who read every day for 20 minutes over the summer will have read for over 1,500 minutes during their entire summer!

As your child explores new text, have them determine the genre, fiction or nonfiction. Then, complete a “Notice & Wonder” chart for one fiction book and one nonfiction book.

I encourage you to take a trip to the library and explore exciting new books this summer.

Have a great summer & see you in second grade!

As your child explores new text, have them determine the genre, fiction or nonfiction. Then, complete a “Notice & Wonder” chart for one fiction book and one nonfiction book. Here is a list of recommended books.

Fiction Books (Narrative Text)
