

Dear Advent EMS Families,

Fortunately, Hurricane Ian and Hurricane Nicole had minimal impact in our area however we missed four school days as a result. We had two days built into our school calendar but we will have to make-up the other two days to meet the state requirement for instructional hours. **School will now be in session on Monday, February 20, 2023 and on Monday, March 13, 2023.** This plan provides for the correct number of hours needed to meet state requirements and preserves the Christmas two week holiday for our families and staff. It also preserves the Spring Break holiday and does not add days onto our school year in June. Students not attending school for those days will be marked absent. We understand that some families may have made travel plans for those days and we will work with you to make up any missed work. Below is an updated school calendar for the balance of the school year after Christmas break. Please feel free to contact me if you have any questions.

In His Service,  
Donna Centerbar
