## Advent Middle School Summer Reading – Part 1

**DUE: FRIDAY, August 16th**

Students entering the 6th, 7th, or 8th grade are required to read a minimum of two books during the summer vacation this year. We believe this is beneficial for the students because it keeps their minds active and prepares them for the coming year. One required book will be a universal novel that everyone in the grade level will read:

6<sup>th</sup> Grade: *The Lightning Thief* by Rick Riordan

7<sup>th</sup> Grade: *Fever 1793* by Laurie Halse Anderson

8<sup>th</sup> Grade: *Blood on the River: James Town 1607* by Elisa Carbone

It is very important that students read these novels. The character and chapter information will be used in class discussions and assignments at the beginning of the school year.

Required book assignment:

### 6th Grade:

1. Make a list of each of the major characters. Include two character traits for each one and an explanation of why he/she is important to the story.

2. After **every** chapter, you are to answer each of the questions:

What is one important thing that happened in the chapter?

What did it make you think?

3. This assignment should be entirely handwritten and legible.

### 7th Grade:

1. Keep a list of **all** of the characters. For each **main** character, give three character traits.

2. Keep a bullet outline of the **ten main events** that took place within every 4-5 chapters. (Be sure to include only the important events, but they should be complete. This means you should have between 50 and 60 main events. Label main events per chapter i.e. Chapters 1-5 or Chapters 21-26).

3. This assignment should be entirely handwritten and legible.

### 8th Grade:

1. Keep a list of all of the characters. For each **main** character, list two physical traits, two character traits, and provide a brief explanation of his or her importance to the story.

2. Keep a bullet outline of the main events from each chapter.

3. This assignment should be entirely handwritten and legible.
